**NORTHWEST COLLEGE
BUDGET MESSAGE
FISCAL 2023-2024 BUDGET**

Presented herein is the annual budget for Northwest College, State of Wyoming, for the fiscal year 2024. The Mission of Northwest College, to be Student-Centered, continues to shine brightly. Our ongoing commitment to providing high-quality educational programs resulted in a successful 2022-23 academic year graduating 247 individuals, including the first-ever graduates with a Bachelor of Applied Science degree. These graduates are a testament to the efforts and dedication that our faculty and staff exhibit every day. Our Mission, coupled with our Vision and transformational focus, provides the foundation from which the budgeting process begins.

Fiscal 2024 marks the second half of the biennium budget cycle for the State. The 2023 Wyoming Legislative Session brought support to the Wyoming Community Colleges by appropriating one time inflationary funding for an additional \$1,193,000 to the Wyoming Community Colleges base funding for FY2024. In addition, \$8,373,520 was appropriated for compensation, including taxes and benefits. Northwest College is appreciative of the legislator's support. The College received \$132,088 in one-time inflationary support and will utilize its share of compensation funds for employee compensation increases.

Student enrollment has remained steady, resulting from enrollment efforts and students' interest in programs and experiences offered by Northwest College. Future enrollment projections continue to be clouded, both nationwide and internationally, by uncertain student interest levels, low unemployment rates, and economic uncertainty. Northwest College continues to promote our high-quality, cost-effective programs in an effort to maintain or grow enrollment levels for next year. The College will participate in the statewide Kickstart Wyoming adult learner scholarship program while continuing its work with the out-of-state students through its Welcome to Wyoming scholarship program.

For Northwest College, current local levy projections have increased from ~\$835,000,000 to \$1,005,203,248 or ~20% for the next year. Levy projections have increased from increased property values for residential and commercial properties and an expected increase in production from the mineral extraction industries. Mineral extraction projections are estimates only based on legislative changes from the 2021 legislative session. Mineral payments continue to vary and have been complicated by deferral options and prepayments. Northwest College is working with the other Colleges to monitor trends, determine deferral needs and ensure stability in the recapture/redistribution process. The College will make budgetary adjustments as necessary.

Auxiliary revenue has been budgeted relatively flat for FY 2024. Residence halls saw an increase in utilization for FY2023 and budgets have been adjusted to account for the change. Otherwise, Northwest College continues to focus on remaining cost-effective. As noted above, student enrollment projections continue to be clouded due to low unemployment, declining traditional age students, and economic uncertainty.

Restricted Revenues have been budgeted flat due to ongoing grants with little expected change.

The President, in consultation with the Board Finance Committee and campus employees, has focused campus efforts on budget stabilization which guided the College thru the budgetary process.

- Transformational Change- The Board approved the 2030 Strategic Plan in November 2022 along with the Vision Statement – Distinction and Destination of Place. The plan, with its goals, strategies, and tactics, will direct the efforts of the College for years to come but also be a living document designed to be reviewed and revised as needed.
- Bachelor of Applied Science - Professional Studies. In Spring 2023, Northwest College celebrated the graduation of its first cohort of full-time bachelor of applied science students.
- Bachelor of Applied Science- Criminal Justice Studies. Northwest College was approved by the Wyoming Commission and then by the Higher Learning Commission to offer a Bachelor of Applied Science in Criminal Justice Studies. The first cohort will start in Fall 2023.
- Academic Advisory Council (AAC)- Remains committed to performing academic program evaluation based on prior approved guidelines and remains committed to evaluating new academic programming for Northwest College students.
- Institutional Effectiveness Committee (IEC)- IEC remains committed to performing support services programmatic reviews to provide recommendations for future budgetary increases or decreases.
- Welcome to Wyoming Scholarship- The new soft dollar scholarship was introduced in the Fall of 2022 to much success. Enrollment in the out-of-state category increased by roughly 50%.

REVENUE OUTLOOK

Current Funds

Current funds include unrestricted operating funds (including community service and continuing education), auxiliary funds, one-mill funds, and current restricted funds. Budgets are presented as balanced with carryover funds being utilized and no use of reserves.

Current fund revenues are subdivided into four categories of sources; state support (general and area-specific support and ABE/GED/ESL), local revenue (four-mill, motor vehicle, and one-mill levy), institutional revenue (tuition, fees, and auxiliary revenues), and other revenue (gate receipts, investment income, misc. deposits, restricted revenue, and carryover). The percentages from each of these categories for the FY2024 budget are listed below:

Unrestricted Operating Fund

The unrestricted current operating fund represents the largest portion of the educational, operational, and financial activities of the College. Its revenue is largely determined by the Funding Allocation Model of the Wyoming Community College Commission, which establishes funding levels for the Wyoming community colleges in part based on fixed and variable costs, weighted credit hours produced, successfully completed weighted credit hours, and weighed degrees and certificates.

As a part of the current funds, operating fund revenues are also subdivided into four categories of sources; state support (general and area-specific support and ABE/GED/ESL), local revenue (four-mill and motor vehicle), institutional revenue (tuition and fees), and other revenue (gate receipts, investment income, misc. deposits, restricted revenue, and carryover). The percentages from each of these categories for the FY2024 budget are listed below:

Unrestricted Revenue

Final allocations in FY2023 resulted in a loss of our block State appropriation of approximately \$515,000. For FY2024, the College gained approximately \$165,000 of which \$132,000 is one-time inflationary funding. We will not budget for recalibration/redistribution monies as they are unknown at this time.

Local tax revenues are projected to be approximately \$4.0 million for the 4-mill levy and \$1.0 million for the 1-mill levy for FY2024. The county will continue to watch revenue projections closely due to the economic unknowns associated with the mineral and extraction industries. Current increases in personal property valuation and mineral and extraction valuation have increased over the past year in Park County. Current projections have increased, but overall state mill levies, state allocations, and future revenues are unknown at this time.

Projected institutional revenues from tuition and fees are anticipated to increase for FY 2024. The Wyoming Community College Commission voted to hold tuition rates for FY 2024 and will evaluate FY 2024 tuition rates in June 2023. The College has elected to continue utilizing 2020 budgeted students by credit hours taken for in-state, with adjustments for out-of-state and WUE utilization. Soft dollar scholarships have increased out-of-state enrollments while WUE enrollments declined. In-State tuition has been relatively stable for FY2023.

Restricted Revenue

Restricted revenues reflect projections for grants and other fund revenue that we are currently holding or for which we have already received authorization, such as Pell, SEOG, and Federal Work-study funds. Most competitive federal grant award years do not start until August or September and will be added to our first quarter budget adjustments.

Carryover

Carryover refers to funds that are budgeted, not fully expended, and will be carried over to the following budget year. Examples include projects started but not completed by year-end. Minimal carryover is expected for fiscal 2024.

Reserve utilization

Reserve utilization is the use of prior-year reserves in the following year to support short-term needs or transitional change. Reserve utilization may be used if enrollment declines below-budgeted amounts, local valuations decrease below projections or reductions in state appropriations occur.

Auxiliary Enterprises

Residence hall and dining service rates were reviewed, adjusted, and approved. Budgets were built using realistic occupancy, and rates were set to encourage affordability and occupancy. All other Auxiliary Fund areas were budgeted to cover operational costs and remain affordable to our students.
