

**VARK Learning Styles Inventory  
Score Sheet**

Please go to the following web address and select the questionnaire. Read the directions carefully—you can select zero up to four responses for each question. Select “OK” at the end of the questionnaire and copy the scores for each learning style in the blanks below. A survey may pop up on the scores screen. You can choose whether to fill it out. You may use a computer in the Student Success Center student lab, and be sure to ask any of the staff for help if you’re having difficulty with this questionnaire.
